

VASCO CONCEIÇÃO

I am a third-year Computer Science student at Instituto Superior Técnico, with strong motivation and the ability to solve problems both in a team and individually. In addition to Portuguese, I am fluent in English and have basic knowledge of Spanish.

PROFESSIONAL EXPERIENCE

- o 2023 - 2024 **Waiter**
Nosolo Itália, Portimão
I worked as a waiter during the summers of 2023 and 2024, where I performed various tasks and responsibilities, such as providing courteous and efficient customer service, managing orders and deliveries with precision, ensuring the organization and cleanliness of the workspace, and collaborating with the team to ensure smooth service operations.
- o 2022 - 2022 **Mathematics Teacher**
Colégio Guadalupe, Seixal
I taught Mathematics at the secondary school level, an experience that allowed me to learn and develop several essential skills.
- o 2018 - 2022 **Cansat**
Seixal, Açores and Ponte de Sor
I participated twice in a project dedicated to launching a CanSat, a can-shaped structure, with the goal of collecting various data during its descent.
Skills developed:
 - Programming in Python, C, and C++;
 - Building circuits and antennas;
 - Preparing scientific reports and dashboards.
- o 2021 - 2022 **Shelf Stocker**
El Corte inglés, Gaia
I worked as a shelf stocker in a supermarket, taking on various tasks and responsibilities, such as ensuring the restocking of missing products in the store, organizing and maintaining the warehouse in good condition, and providing personalized assistance to customers.

Throughout my professional experiences, I have had the opportunity to acquire and develop essential skills such as:

- Adaptation to a corporate environment;
- Customer service;
- Effective teamwork collaboration;
- Strong communication skills;
- Building interpersonal relationships;
- Efficient time management;
- A strong sense of responsibility;
- Working under pressure.
